

Dance Time Othello Parents!

We are very excited about the new dance year... We hope you are too!! We did have to make some adjustments to our fee schedule this year. It is the first time we have increased in 13 years! Costs for the studio, recital and instruction have gone up, and unfortunately we must follow suit to cover our bases. However, feel assured that our program will continue to provide safe, fun and instructional classes for your dancer!

Here are the changes we have made this year.

Registration is **\$20 PER DANCER (non refundable)**

Recital fee per family is **\$25 PER FAMILY**

NEW TUITION FEES info:

ALL 45 min/60 min classes will be **\$50 per month**

Sibling or 2nd classes will be **10% off for a total of \$45 per month**

BALLET (longer class times) tuition will be as follows:

Victoria has great plans for the ballet, and is pushing your dancers toward obtaining their point shoes, however this will require more time, teaching and effort, not only on Victoria's part, but also on your dancer!!

Ballet 1 (1 hr). \$50 per month

Ballet 2 (1.5 hrs): \$70 per month (2nd dancer in same class \$65)

Ballet 2 (1.5 hrs) **AND Tuesday Ballet 2/3 class** (1.5 hrs) \$90. (2nd dancer in both classes \$85)

Ballet 3 (2x a week for 3 hours). \$90 per month (2nd dancer same class \$85)

**If your dancer is in ballet and a different class, please contact me about your discount! :)

This year the for the recital, the Ballet will have their own recital and the other studio dance classes will have a separate one. They will be on the same day but at different times!

Please contact me if you have any questions or concerns. Thanks!!
